

DÜSSELDORF MOOTING SCHOOL

The DMS is a preparation workshop for Vis Moot participants. It consists primarily of lectures on the CISG and arbitration given by experienced university teachers and of practical case studies.

With a maximum number of around 40 participants the DMS guarantees individual support and a familiar working atmosphere. The lectures and case studies will be accompanied by presentations on skills and information useful during the Moot conducted by former Vis Moot coaches and participants.

The DMS will take place at the Law Faculty of the Heinrich-Heine-Universität on a campus located in the south of Düsseldorf. The DMS is aimed at students with little or no previous formation in the fields of arbitration and CISG.

Registration Deadline & Details

- Registration is required until 15 August 2016
- no registration fee is charged; accommodation, transport, food etc. must be financed and organized by the teams themselves
- max. 6 participants per Moot team
- limited number of participants; places are attributed according to the time of registration
